

APEC Peru 2008 ASCC Meeting

June 19-21, 2008 – Piura and Tumbes, Peru

In the line of previous editions and the envisioning of a challenging agenda for APEC and its academic community, the purpose of the annual ASCC conference is to focus on critical issues that call for the attention and concern of governments, civil society, academicians and practitioners. The Peruvian Network for Asia-Pacific Studies (REDAP) organizes this meeting as a contribution to the success of APEC Peru 2008, counting with generous sponsorships from universities members of REDAP and most valuable supports and inputs from government and private institutions in Peru, from LAEBA (Latin America/Caribbean and Asia/Pacific Economics and Business Association) –a joint initiative of the Inter-American Development Bank (IDB) and the Asian Development Bank Institute (ADBI), and from PECC (Pacific Economic Cooperation Council).
